respiratory system

Art-No.	Name	Description
SR001	General survey of	Half of head, reserving lung on one side,
	respiratory system	showing bronchial tree on the other side.
SR002	The shape of larynx	With the tongue and thyroid gland.
SR003	Median sagittal section of larynx	Unilateral.
SR004	The laryngeal cavity	Open the posterior wall of the laryngeal cavity, showing the structures in it.
SR005	The laryngeal cartilages	
SR006	The laryngeal muscles	
SR007	The elastic cone	
SR008	The larynx, trachea and	
	principal bronchi	
SR009	The	
	larynx, trachea, principal	With the lobar and segmental bronchi.
	bronchi	
SR010	The larynx, trachea, principal	
	bronchi and lung	
SR011	The hilus of lung	Showing the shape and structure of unilateral lung
SR012	The lung	Without heart
SR013	The lung	With heart.
SR014	The mediastinum	Showing the structure of left and right mediastinum

Muscles of larynx

General arrangement of the respiratory system

Cartilages and ligaments of larynx

Median sagittal section of larynx

Tongue, larynx, trachea and bronchi

Slice of lung

Trachea

Double lungs

Mediastinum

Larynx, trachea and bronchi

Double lungs and heart

Root of lung

Bronchial tree

Lung and bronchial tree

Art – N0 / S R 001
Half of head, reserving lung on one side, showing bronchial tree on the other side
